INDOOR AND OUTDOOR CHAIR CATALOG 2024

Vállalati filozófia

Iroda- és vendéglátó-bútor-portfóliónkat úgy válogattuk össze, hogy rendkívüliek és egyedülállóak legyenek az európai piacon. Szoros együttműködésben dolgozunk olyan nagy múltú gyárakkal, amelyek több generációra kiterjedő tapasztalattal rendelkeznek a bútorgyártásban házon belüli tervező és mérnök csapatokkal. Közvetlen kapcsolatban állunk gyárainkkal és szövetbeszállítóinkkal, akikkel arra törekszünk, hogy vásárlóinknak a piacon a legjobb ár-érték arányt kínáljuk.

Nagy gyártókapacitással rendelkezünk, és akár ügyfeleink elképzeléseit is meg tudjuk valósítani egyedi igényeik alapján. Nemcsak a termékek fejlesztésére, hanem értéknövelt szolgáltatásainkra is nagy hangsúlyt fektetünk a kiemelkedő vásárlói élmény érdekében.

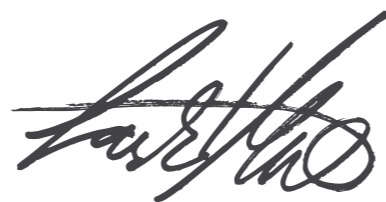

Teljes szívvel és maximális odaadással vagyunk jelen a bútorgyártásban, hogy mindenki álmai valóra váljanak, céljai megvalósuljanak.

Company philosophy

We have selected our office and hospitality furniture portfolio in such a way to be extraordinary and unique on the European market. We work in close cooperation with factories with a long history, who have experience spanning several generations in the furniture industry with their inhouse designer and engineer team. We are in direct contact with our factories and fabric suppliers, with whom we strive to offer our customers the best value for money on the market.

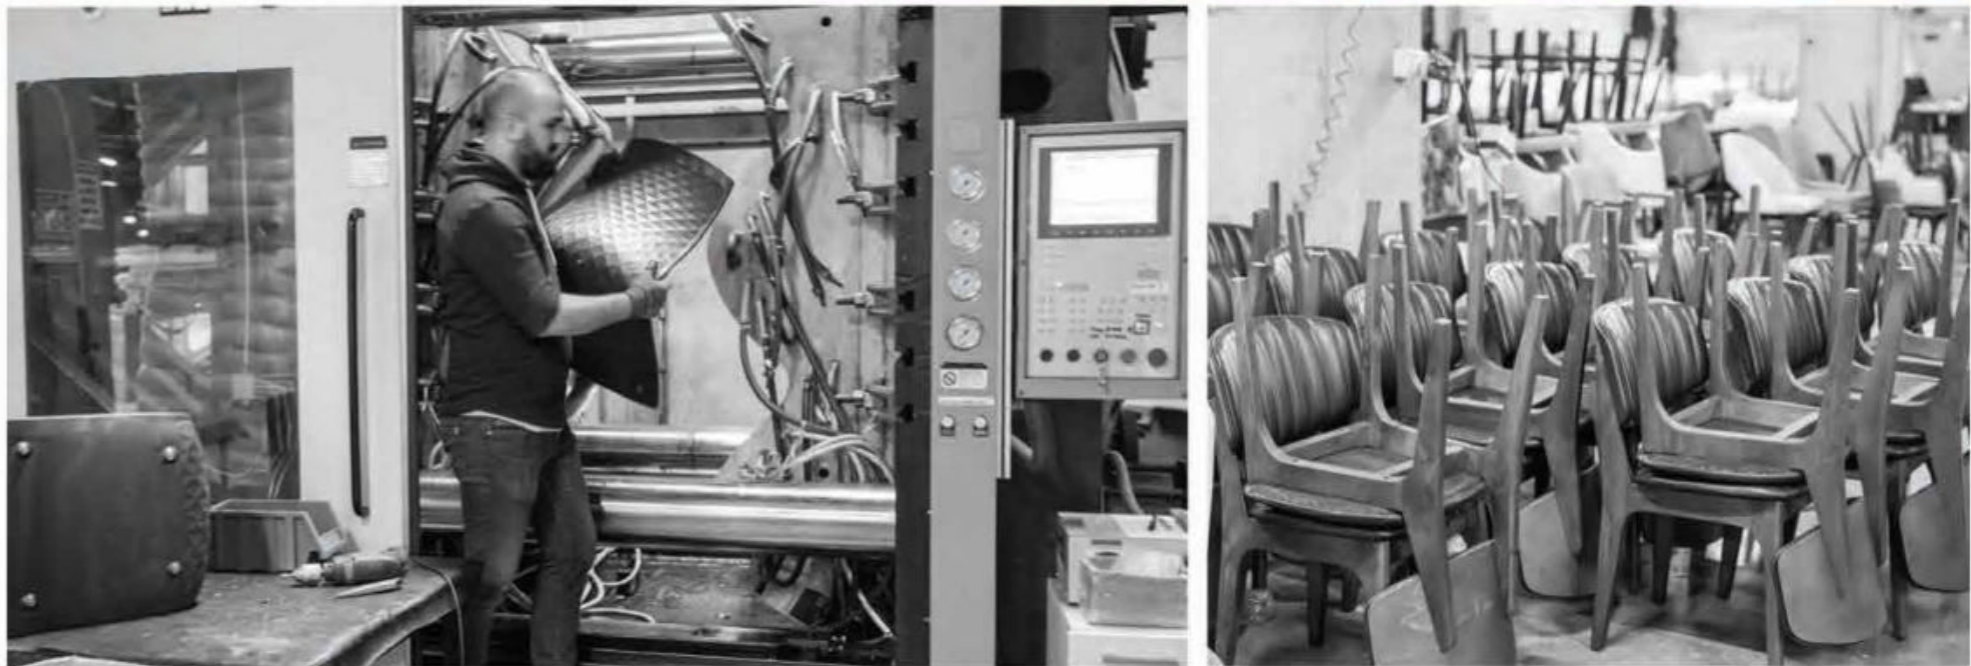

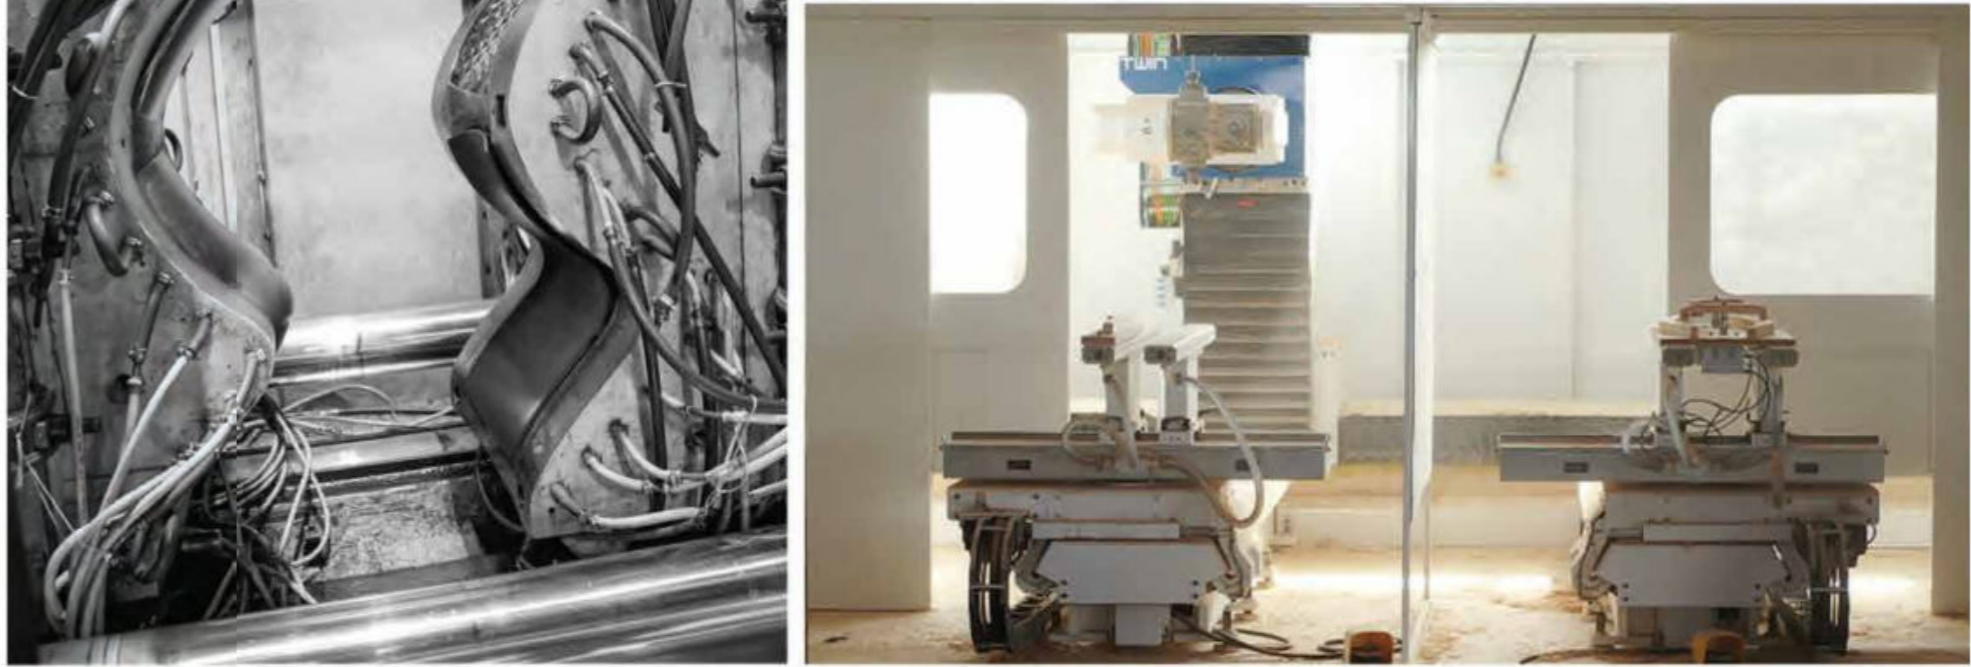

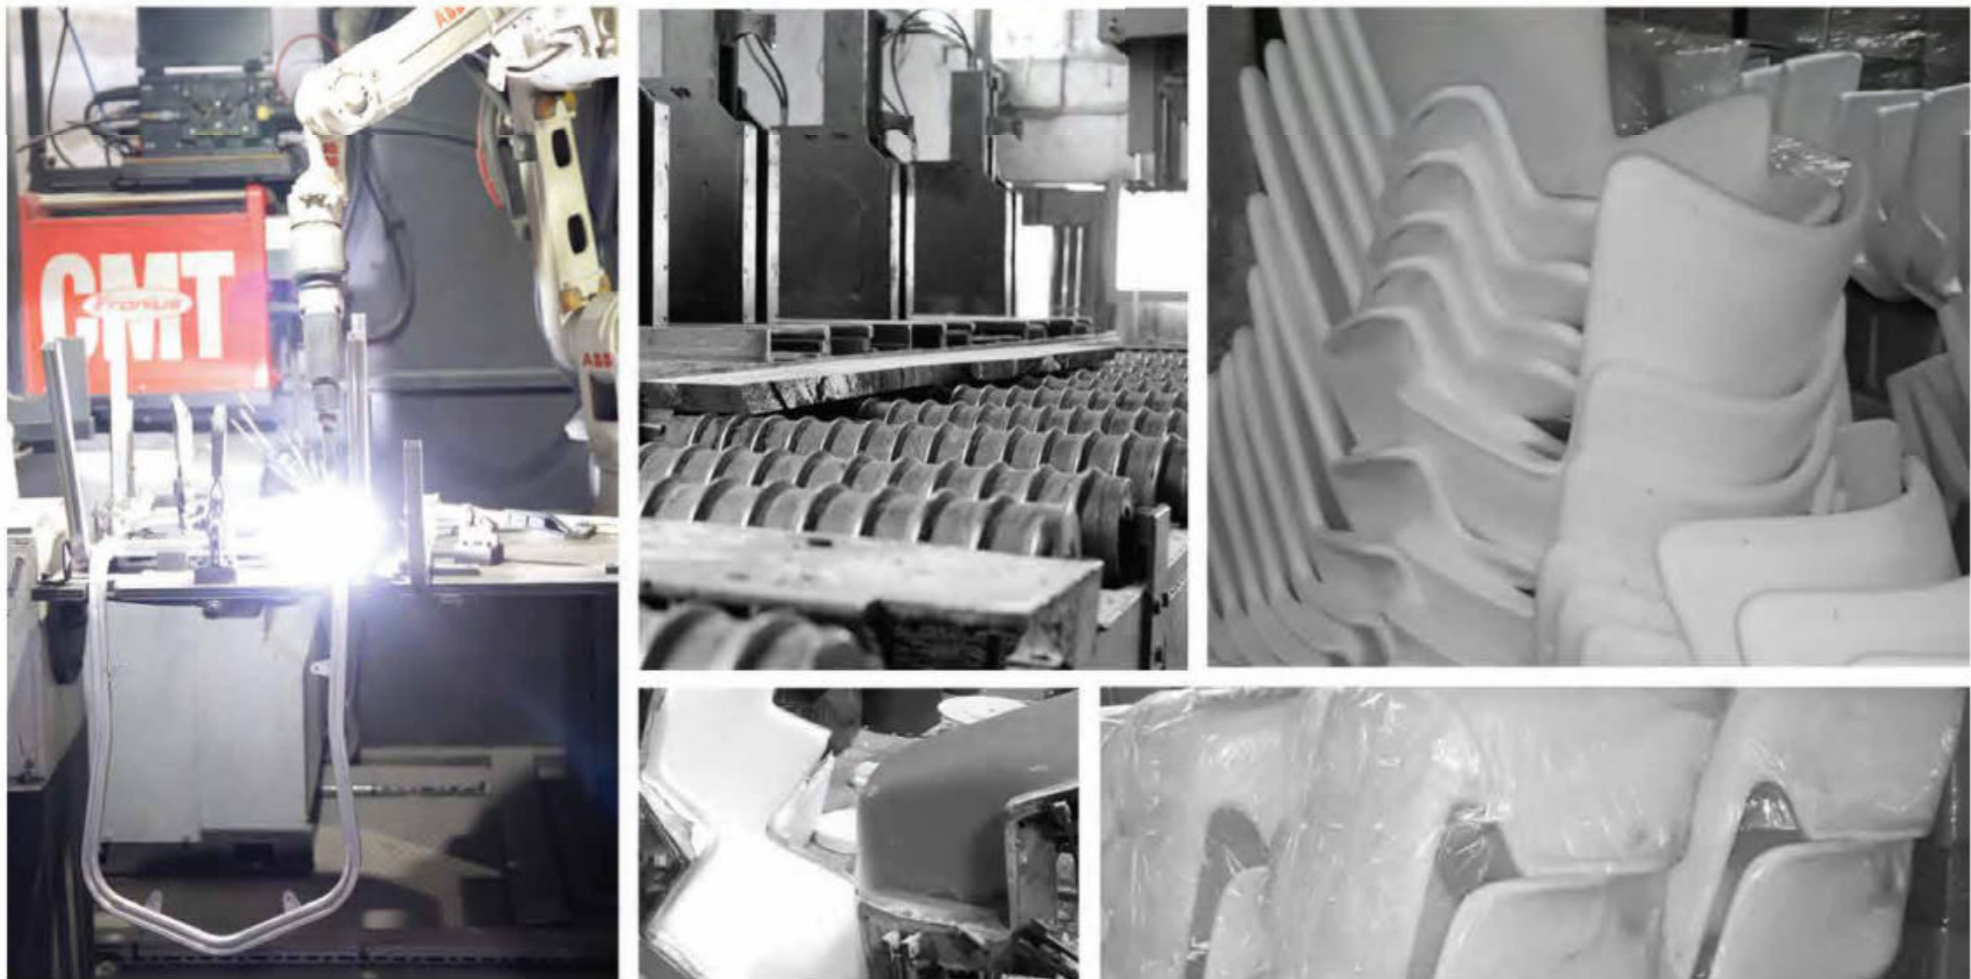

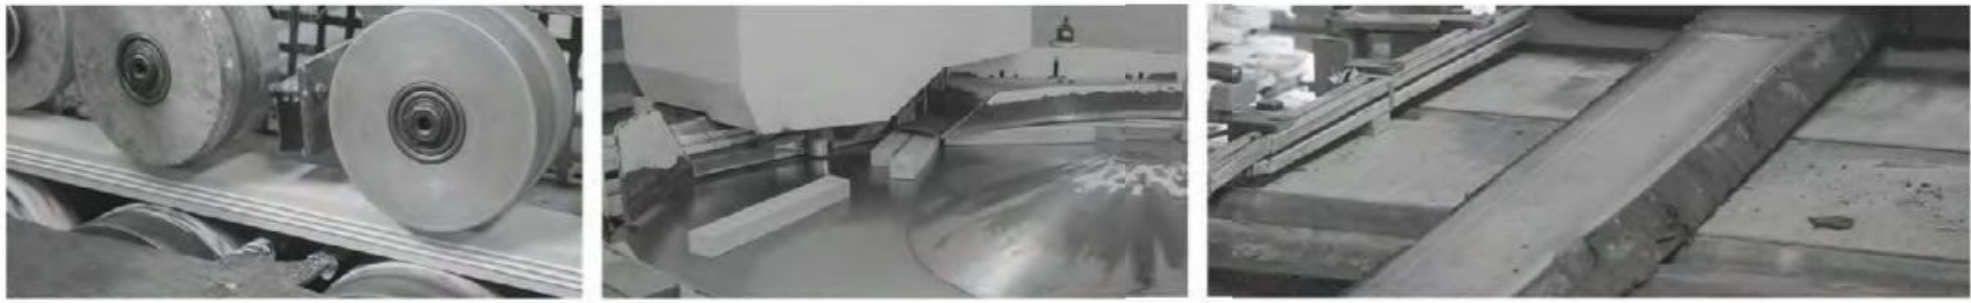

We have large production capacity and even we can realize our customers' ideas based on their individual needs. Great emphasis is put not only on the development of products, but also on our value-added services in order to provide an outstanding customer experience.

We are present in the furniture industry wholeheartedly and with maximum dedication, so that everyone's dreams can come true and their goals to be achieved.
